

Ways to get involved?

Collect in-kind donations from work, church or home! Ask your friend and coworkers to help us provide things like socks, deodorant, soap, and other basic personal needs to the men we serve.

Bring a group! Visiting the Guiding Light Mission can be a great way to connect to the community, learn about homelessness, and find out what you can do to make a difference in the lives of many.

Put your professional expertise to work. Our men need guidance in areas of professional development, resume building, presentation skills, and other vital characteristics of a good employee. With our goal to place them all in a full-term housing and employment situation by the time they leave our mission, we need to equip them with the skills to make it happen. If you work in HR, finance, computers or a related field, we want your help in honing their skills. **One hour of your time could change a man's life.**

...if you spend yourself in behalf of the hungry, and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday. Isaiah 58:10

Mentor. We're always looking for strong, Christian men to support our clients. Help build a solid foundation from which your mentees will go on to live as strong, independent, sober men with a deeper relationship to God.

Be a guest chapel speaker. Whether experienced in public speaking or not, we welcome you to share your message of hope, Faith, and God's love with our community. Speak your heart to help someone else's.

Professionals: involve your professional organization or company in sponsoring a Guiding Light Mission event,. Let us help you find a unique way to get involved and support our mission!
