Please answer the following questions by writing a minimum of three sentences for each question.

Briefly, what my life was like before I came to Guiding Light Mission.

Before coming to GLM my life was all about me. I did whatever it took to get my drugs and I didn't care who I hurt in the process. I didn't even care about death. Before I got to GLM I went into respiratory failure and was minutes away from death.

What I believe has caused changes in my life so far.

The biggest change was almost losing my wife + my life. If I would have kept using my marriage was going to be over. Realizing that I was minutes away from death also opened my eyes.

How is my life being affected by Jesus Christ while being at GLM?

While being here I'm realizing it's not all about me. There's more to life than just getting high every day. Jesus is helping me realize that we are all the same and that if we confess w/ our mouths and believe in our hearts Jesus is Lord we will be saved.

What are my current goals while living at the Mission?

My current goals while living at GLM is to stay clean while having an intimate relationship with God. And I want to strengthen my marriage through Jesus Christ.

Greater is He that's in me, than he that's in the world.
